Dear Brothers and Sisters in Christ,

When God created the world, he looked around and saw that everything was good, except for one thing, Adam was alone. So, God created Eve right out of Adam's own body, and thus the first family was born. But as Genesis taught us, Satan intruded and caused division and mistrust as quickly as the family was created. It has been under attack ever since. As many of us have experienced, family relationships, loyalty and honour have massive weight and influence on our lives. Back in the time of Jesus, Jewish family was the local expression of the wider Jewish family of God. As a family member, one should not abandon or disrespect one's family. In regard to our family relationships as church, we need to recognize God's call in Jesus and our allegiance to Him.

The family of God is concerned in obeying God and doing his will. We have unity in doing God's will. All of us are here in part because of our desire to do God's will. Family is not just about being related by blood, but being related by the blood of Jesus. God calls us His children, and He loves us no matter what our earthly relations might consist of. It is by being with Jesus that a person becomes a part of God's family. Those who are members of Jesus' family are those who do the will of God. But for us to be able to carry our God's will, we need Jesus' and the Holy Spirit's help because alone we can't do it because of Satan's hinderance. Satan seeks to destroy our family just as he did all the way back in Genesis. But in reality, we are too weak and sinful, thus we need Jesus' help.
